

Mayor Danny MacGillivray

Hello Stellarton residents and visitors to our website!

I was born and raised in Stellarton, graduating from Stellarton High School in 1992. My education was furthered at St. FX University, obtaining a Bachelor of Business Administration Degree, with a Major in Accounting.

My professional career has been spent mainly in the non-profit sector of Pictou County, where I have held several positions of leadership. My current role is as Executive Director with CHAD Transit, a non-profit, charitable organization that provides efficient, affordable and inclusive transportation services for the residents of Pictou County.

My personal interests are yoga, swimming and basketball, as well as continually educating myself about the nature of our world and universe.

The decision to run for Mayor was based on my desire to have a larger, positive impact on the Town of Stellarton. My skill sets help the town realize growth and sustainability. An earmark of my style is openness and transparency. It is the people's tax dollars we are working with, they deserve to be kept in the loop. Communication is key.

Council's goal is to provide the best and most transparent municipal government possible for the residents of Stellarton, the top small town in Nova Scotia.
