Boundary Review

Roland Burek updated Council on the Boundary Review process; under the Municipal Government Act, every municipality in the province is required every eight (8) years to undertake a review of the number of Councillors and municipal electoral boundaries. R. Burek undertook a review and stated that Stellarton's current situation is quite good; this is a required Public Consultation process. He highlighted:

- Stellarton has a two-ward system, with two Councillors per ward
- Ratio per population works nicely; 1661 electors in Ward 1, and 1604 in Ward 2
- Compared to other municipal units

R. Burek provided options as per the URB requirements. He recommends maintaining the status quo.

Coun. G. Pentz made motion to approve Roland Burek Planner's recommendation and maintain the status quo, seconded by Coun. S. Campbell. **Motion Carried.**

There were no comments from the public or anyone present.
